The #1 bestselling series returns with a thrilling new story arc set in America!

Vintage photographs reveal the never-before-seen world of peculiar America with a stunning additionâ€”full-color images.

Having defeated the monstrous threat that nearly destroyed the peculiar world, Jacob Portman is back where his story began, in Florida. Except now Miss Peregrine, Emma, and their peculiar friends are with him, and doing their best to blend in. But carefree days of beach visits and normaling lessons are soon interrupted by a discoveryâ€”a subterranean bunker that belonged to Jacobâ€™s grandfather, Abe.

Clues to Abeâ€™s double-life as a peculiar operative start to emerge, secrets long hidden in plain sight. And Jacob begins to learn about the dangerous legacy he has inheritedâ€”truths that were part of him long before he walked into Miss Peregrineâ€™s time loop.

Now, the stakes are higher than ever as Jacob and his friends are thrust into the untamed landscape of American peculiardomâ€”a world with few ymbrynes, or rulesâ€”that none of them understand. New wonders, and dangers, await in this brilliant next chapter for Miss Peregrineâ€™s peculiar children. Their story is again illustrated throughout by haunting vintage photographs, but with a striking addition for this all-new, multi-era American adventureâ€”full color.
